HIBERNIA

Coffee, chat, discussion, sharing together:

that is what happens each 1st and 3rd Tuesday of the month at the **Hibernia Café 611 Magill Rd** from 10.00am. You are welcome to join this small group of about 5-7 people. We discuss all sorts of things- faith, church, world, what's happening.
Just turn up or contact Rev Bob.

New procedure to help keep AV equipment COVID-safe

If you enter the church during the week, please complete a Worship Area Attendance Register each time, indicating any AV equipment you may have touched. Registers are located at all 3 entrances. This will enable us to ensure an effective sanitising regime.

For more information, see Vision Issue 15 or ask John Drew, Margaret Cargill or Bruce Ind.

Acknowledgement of Land

This is God's Land.

Many have gone before who have honoured God by caring for the Land, in the ways they have lived and in the stories they have shared.

Webinar: Wednesday 14 October 5pm FREE at Morialta Church.

This webinar will give worship leaders, planners, curators, pastors and others interested, some practical ways into Advent (the four Sundays before Christmas Day, and maybe into Christmas Eve/Day as well.) Practical resources of video, music, audio, liturgy and themes will be offered. All Welcome More details and information contact Jenny Swanbury or Rev Bob.

GATEWAYS

The next gathering of Gateways will be Friday, 9 October at 7.30pm in the Kooka Rooms.

Please let Colin Cargill know (snout-n-about@bigpond.com / 0427122106) by Thursday if you plan to attend.

We give thanks for the Kurna people, who have held as sacred the duty of protecting the Land and living in harmony with it.

May God honour and bless them – now and to eternity.

WITH LOVE TO MONTREAL

Covid19 Pandemic

I know that others in our congregation are parted from beloved family – and are set with feelings of loneliness, separation, helplessness and fear.

Will you join me in prayers for my sister Beverley and her husband Ron? They live in Montreal Canada, and face an immediate future of “Code Red” and total lock down for 28 days. The approaching winter will be tough and icy - never looked forward to.

They have many friends in the city and surrounds, but any socialising is impossible right now, and after the lock down there will be nowhere to gather out of doors, as they have been doing all summer.

My sense of separation and loneliness has increased at this news, and I feel so helpless.

Our amazing technology connects in many brilliant ways, but I fear it does not make up for the physical touch, a bear hug, or the very real impact of skin on skin.

Will you join me? By writing this, I can share with so many in the same situation.
