ACKNOWLEDGEMENT OF LAND

For thousands of years the traditional custodians have walked in this land, on their own country. Their relationship with the land is at the centre of their lives. We acknowledge the Kaurna People and their stewardship of this land throughout the ages.

Congregational Singing

Church Council has agreed to restarting congregational singing, while seated and wearing masks, from Today.

Council did not consider the matter lightly. However, based on the likelihood that most of the congregation are protected by vaccination and masks will be worn as well as physical distancing observed, Council deemed it appropriate to take this move. Of course, if conditions relating to COVID change in the meantime this decision may be reviewed.

As always, please observe the usual protocols of physical distancing, sanitising and registering your attendance and most importantly remain at home if you are feeling unwell.

Finally, if you have any questions or concerns, please be in touch with me.

Earlier this year we reserved 20 November as a date for our market. Church Council decided that a meeting of conveners and other interested people should be called to determine the interest and commitment to a market event.

Conveners will receive a separate email, but if you are interested please come to a meeting **TODAY** in the church after our worship together.

As always, if you have any questions please be in touch.
