We all know that the live stream doesn't happen by accident and there is a large cohort of presenters and technical people who have made it possible for Morialta UC to make a difference in these COVID-times.

Thanks go to all those who have made it possible for Morialta UC to share the good news!

Remember to share that good news with friends and family you think would benefit from participating in worship with Morialta UC.

Worship this week

The Delta strain of COVID 19 is particularly invasive. Government restrictions remain in place for churches and other organisations.

Of course, if you are unwell you are asked to stay at home while you recover, but additionally, you are reminded of the need to wear face masks while inside.

Physical distancing remains an important part of our response to COVID even though we are now able to gather at 75% capacity.

"Give The World A Shot" - UNICEF are on a mission to deliver 2 billion vaccines this year but they need help to do it. Please join **UNICEF** and help to create a better future for children around the world by providing vaccines. You can donate by phoning **1300 884 233** or online at <https://www.vaccinaid.org.au/>
