Christ The King

Christ the King Sunday John 18:33-37 Power V Power

"The challenge of this week's celebration is to avoid triumphalism. We are not to make God's Reign out to be the same as human power systems, rather, we are to recognise God's Reign in acts of compassion and justice, in service and sacrifice, and in the challenge to human systems to give up their obsession with war and conquest in order to build a world of peace and love for all." ACKNOWLEDGEMENT OF LAND

For thousands of years the traditional custodians have walked in this land, on their own country. Their relationship with the land is at the centre of their lives. We acknowledge the Kaurna People and their stewardship of this land throughout the ages.

Worship recording/streaming

Under privacy regulations those attending worship need to be given the option of not being filmed during worship. Therefore, if you choose not to be filmed then there has been a space on the western side of the church set aside that will not be visible to the cameras. Please feel free to move there prior to commencement of the service. If you don't mind being filmed then please sit elsewhere so as to save these chairs for those who chose to sit there. Thank you for assisting us with this and allowing all to feel welcome, comfortable and safe in worship at Morialta.
