WORLD DAY OF PRAYER

WORLD DAY OF PRAYER – THIS FRIDAY
5TH HERE AT MORIALTA AT 10am.

Women from the islands of Vanuatu have prepared the service.

Join in as we host the service for the churches in our surrounding communities.

Offerings for the day will support and partner with two projects in Vanuatu.

Update to registration processes at Morialta uc

All members of the congregation have become used to registering their attendance when they come to the church during the week. More recently many members of the congregation have taken advantage of the QR code facility that is available. However, some of our number don't have access to a smart phone and still use the manual method of recording their attendance.

Recently we have received advice about changes to the process we need to implement. While those of us with smart phones will not change their practice there will be a change to the manual process.

Each time members of the congregation visit Chapel St without a smart phone they will be asked to fill in a separate sheet and place it in a secure container so that privacy for all individuals is protected.

If you require further information please see Bruce, or Rhonda.
