For thousands of years the traditional custodians have walked in this land, on their own country. Their relationship with the land is at the centre of their lives. We acknowledge the Kaurna People and their stewardship of this land throughout the ages.

### MARKET 2021

COVID willing we will have a market on 20 November.

While time is short we hope that green fingers can work their magic and spring cleaning will yield some books and bric-a-brac. Cooks will be encouraged to work their magic a little later.

We will have an Art & Craft exhibition. If you would like to exhibit pieces, that would be excellent! (see Mary T.)

If you have any questions about the Market please talk with Helena or Bruce.

### Need assistance with your mobile phone, Ipad, laptop?

Lachlan will be available TODAY to help.

Look for the table set up in the hall at morning tea after the worship service.

## Minor Prophets Burnside City UC - Rev Dr Gethzi Devasagayam is a delightful biblical

scholar who will help us understand why we need to take notice of the minor prophets in the Old Testament - those books just before the New Testament that we often flick past. We will see their commitment to God and to preaching God's difficult yet grace-filled message to a stubborn people.
