Beyond our Walls

Project Beyond our Walls, began in October 2013 with monthly filming of Morialta's normal worship service and production of a DVD for distribution to churches for trial, comment and refinement.

Following successful trial of DVDs a web-based distribution has commenced. Morialta's website www.morialtauca.org.au gives access to all recordings.

Feedback from rural congregations and chaplains has been positive.

Morialta has resourced the production with three cameras, vision mixer, microphones, etc. and trained operators to ensure presentation skills of a high order.

Critical appraisal has continued with meetings of Morialta's Steering Group, presenters, technicians and members of the congregation.

Morialta Uniting Church is open to exploring connections and links with congregations in urban and rural areas.

**Resourcing
Congregations, Groups,
Chaplains, Pastoral Care,
individual and personal worship.**

Morialta Uniting Church
Box 619, Magill 5072
