SPIRITUAL LIFE AT MORIALTA

Exploring questions about life and our relationship with God is significant in every stage of our lives. Our congregation would be pleased to welcome you to become part of its life. You might enjoy the quieter moments of the 8.15 service or the rich variety of the all ages service at 9.30 on Sundays.

Our worship is recorded once a month and is available on DVD or the internet for those unable to attend in person.

There are other groups that meet to explore questions of faith through meditation, reading, and discussion.

Our large community library offers a range of fiction and non-fiction DVDs and books including matters of faith and meaning.

Our minister is available to meet with you if you are interested in exploring a particular issue more deeply.
