Notes on Roster:

Unavailability:

Should you become unavailable for a rostered day, please try to arrange a swap. There is a list of others who are prepared to be emergency helpers. If they are not rostered for the day, you could also try one of them. If none of the above proves fruitful, contact the Team Leader for the day.

• **Xh denotes Regular Help:** This is in place of the duties you would normally undertake.

• **Roster Arrangement:** Names in each section are ordered alphabetically by first name. You may therefore find yourself in a slightly different position. Don't construe this as a demotion or promotion!

Arrival: Volunteers are asked to arrive by 10.30am, with the exception of the washing-up team, who do not need to report until 11.45am.
