

## **To Our Friends in Worship at Morialta and On-line**

As you have shared in our live-streamed worship over recent weeks you may have become aware of an important event in the life of Morialta Uniting Church which is scheduled for this Sunday, 14 August, following our usual time of worship together.

This event, CONSULTATION 1, begins our current discernment process, *Spring into Action, Pathway to Renewal and the Future*.

It is an extended time for those who are gathered in person and through electronic means to respond to the challenges that we face in the future as Morialta UC considers the impact of the local and wider context of Mission.

**Step 4 – Strategies, Projects & Partnerships** will involve groups in brainstorming, recording, and reporting.

The intention is to prompt wide-ranging thinking and ideas. Everyone will be encouraged to share thoughts, germs of ideas, and proposals which may be considered surprising, stunning, even outrageous, ground-breaking and 'outside the square'.

These may lead to developments which result in the financial viability required to resource Morialta's Mission into the future.
