Communication

Please let Nicole in the office know if your team or group is cancelling or postponing a meeting so that she can change venue bookings and the time on the church calendar.

AKWAK

(Australians knitting for war affected kids)

This group is using our Kooka rooms for storage and packing of the goods. The members make woollen clothing and then add bought clothing to form a complete pack of clothes for children 0-16 years. These packs will go Syria in September to reach them by their winter. The families live in tents, often in snow conditions. More information to follow.

The Uniting Church's support of the Yes Case for the upcoming referendum

Following the consultation of the congregation and further discussion, Church Council discerned it appropriate to support the position adopted by the National Assembly and Synod of SA to do likewise.

In coming days there will be a Yes banner installed so that passing traffic and members of the community may be encouraged to consider their response to the vote which will occur later this year.

A more fulsome explanation will be included in the next issue of Vision.

A new resource on the Voice to Parliament is now available for

congregations to use and share. In two pages, it explains how the referendum is an opportunity to consider a change in our constitution that will recognise First Australians and give Aboriginal and Torres Strait Islander peoples a say in matters that affect their lives. It explains why the Uniting Church supports the change, references what the Bible says and provides helpful starting points for a conversation
