From Synod:

This week we pray for...

- For the whole world: that all people, who have one Maker and Father, may acknowledge one another as brothers and sisters, without discrimination of race or nation, and with sincere hearts
- For the people of Palestine and Israel; and the people of Ukraine and Russia may they find an end to their wars
- For those impacted by natural disasters, floods, droughts and fires and for those struggling with conflict, poverty and starvation; and for the agencies and aid workers that continue to provide support and hope.

We acknowledge the traditional custodians of the land on which we operate, live and gather as a team. We recognise their continuing connection to land, water and community.

We pay respect to Elders, past, present and emerging.
