Travel survey

Our thanks to all those who have completed a travel survey – your support is greatly appreciated. If you have not yet completed the travel survey form, can you please complete one today. Otherwise we may have to guess your travel distance and the number of times you visit the church. Forms are available on the table near the Library.

We need the data to calculate how much we should invest in a CO2 emissions offset project that will cover our activities. The more data we have the more accurate our calculations will be.

Please hand completed forms to Colin C, Chris A or John D or put them in the Social Justice Pigeon Hole TODAY.

Thanks from the Team

Church Calendar

The church calendar is a public document that is available to all members of the congregation.

All you need is access to a Google browser. There are instructions that are available from Nicole to create an account.

Once you have an account, you can ask Nicole to send you the link that enables to access the calendar. If you have any questions, please speak to Bruce

Cleaning up the Photocopier Room

In a few weeks we will arrange for the material that has found its way into the Photocopier Room to be removed if it is deemed to be outside our requirements.

If there is anything in the space that belongs to you, or you would like to save please take it when you are at the church sometime in the next fortnight.

If you have any questions, please see Bruce Ind.
