Gateways will meet on Friday 26 September at 4:00 pm in the foyer for afternoon tea, and from 4:30 to view and discuss a video of a recent Progressive Christianity Forum presentation entitled 'What do liturgy and worship look like from a 'progressive' perspective?'. The presenting panel was Marion Millen, Don Sinnott and Sarah Agnew, well known to many of us.

From Gateways' last session: words we liked of Richard Rohr, of the *Center for Action and Contemplation* in Arizona, USA:

Your religion is not the church you belong to, but the cosmos you live inside of. Once we know that the entire physical world around us, all of creation, is both the hiding place and the revelation place for God, this world becomes home, safe, enchanted, offering grace to any who look deeply. I call that kind of deep, calm seeing 'contemplation'.

Special Seniors' Morning Tea

In recognition of the contribution that many of our senior members have made to the community, Morialta UC has long held a morning tea that coincides with Older Persons' Day.

This year we have received an invitation from the Dawoodi Bohras community to share with them to mark Older Persons' Day, 5th October after our worship. This will be another opportunity to strengthen the relationship between our two communities, and you are warmly invited to join in the fun and fellowship that will be present on the day.

If you would like further details, please talk to one of our church council members.

Renew is a space for all who are passionate about deepening their faith and ministry, whatever their involvement in the life of the Church. You'll encounter fresh ideas, build deeper connections, and return home encouraged and better equipped for your work in the Church and the world.

There'll be something for everyone, and everyone is welcome—because when the Church comes together, great things happen!
