Minister's email address

When Anne Butler began with us, she needed to use her old email address until minister@morialtauca.org.au was up and running. She regularly receives a doubling up of emails, so please check what email address you are using. If it is quince1984@gmail.com please delete it and only use the minister email.

Calling any Drone Pilots

The property Team would like to have the church and Kooka rooves inspected and we believe the most cost effective way of doing this would be by drone. If you or any of your family or friends is a capable drone pilot and would be prepared to help us with this task would you please contact Chris Ayles.

Barbeque

Does anyone know where the BBQ that is usually stored in the "Big Shed" is at the moment?
