## Using your precious possessions around the church

Following a recent accidental breakage, it is an opportune moment to remind everyone of the possibility for damage or loss when bringing precious possessions into spaces such as the church. The facilities are utilised by a wide range of groups, which naturally increases the risk of items being lost, damaged, or broken.

Although the hope is always that such incidents do not occur, there can be no certainty. The Morialta community is deeply appreciative of all who contribute to the enhancement of our worship and activity spaces. At the same time, we recognise that many items brought from home hold sentimental value and may be irreplaceable.

We ask that you keep this in mind when preparing displays or organising activities that involve personal belongings, especially where there is even the slightest chance of damage.

### **Prayer for the week**

May the God of all wonder who set the stars in the sky, bless you with relentless unsettledness that drives you to seek truth.

May the God of all justice who gave motion to the rivers, bless you with righteous anger that drives you to seek freedom for all.

May the God of all love who placed laughter in the kookaburra, bless you with the friendship that looks like the love where one lays down their life for another.

May the God of all comfort who determined the height of the mountains, bless you with tears from shared pain and mourning that shows you hope.

With wonder, righteous anger, sacrifice, and lament, go in truth, justice, love, and hope to change the heart of Australia.
