Living Library Event

Supporting Movember in raising awareness for men's mental health.

When: Thursday, 5 November
Where: Walkerville Library
66 Walkerville Tce.
Gilberton

What is a Living Library?

A chance to have real, one-on-one conversations with people in our community and hear lived experiences – especially around men's mental health.

We acknowledge the traditional custodians of the land on which we operate, live and gather as a church. We recognise their continuing connection to land, water and community. We pay respect to Elders, past, present and emerging.
