## FROM SYNOD

*This week we pray:*

- For reconciliation between individuals, communities, and countries where there has been division or historical conflict, may our hearts be softened toward forgiveness
- For personal inner peace and the ability to spread peace in daily interactions, may we reflect God's love and compassion
- For volunteers to find renewed strength, energy, and motivation in their service, and that they feel encouraged by the impact they are making in their communities.

---

**We acknowledge the traditional custodians of the land on which we operate, live and gather as a church. We recognise their continuing connection to land, water and community.**

**We pay respect to Elders, past, present and emerging.**
