Access to the Church between 7 -14 April

The Property Team and Audio-Visual Team have been making a list of maintenance tasks that require special lifting equipment.

Arrangements have been made to hire a 'Man Lift' for the period mentioned above and work on a variety of important jobs will be undertaken during that time.

This means that the church will be unavailable for any use apart from worship services during this time. Please stay outside the sanctuary because there may be tools, cables and other equipment impeding movement and impacting personal safety.

A Change in Practice for calling for nominations

Every organisation needs appropriate governance support. Morialta UC is no different. Our Church Council, Congregation Leaders and Presbytery Representatives all perform an important function.

As the Annual General Meeting approaches and elections for leadership positions are planned, members of the congregation are asked to begin the discerning process that will identify members with the gifts and graces to undertake leadership responsibilities.

This year Morialta UC is going to try something a little different. Previously, the nomination process required those being nominated to sign before the nomination form was submitted.

This time, members of the congregation are asked to identify those from our number who have the skills to undertake leadership within our community. You do not need to seek permission from those who you nominate and it is entirely appropriate for you to self-nominate if you feel you have the skills and ability to undertake the role.

Once nominations are received those named will be approached, and it is hoped, will accept nomination.

If you have any questions, please seek clarification from our present leaders. Nomination forms are available from the church office. Alternatively, you may wish to contact Bruce Ind for a copy.
